## SUMMARY

Over 3 year of dedicated experience in web Application development, I bring a proven track record of contributing to high-profile projects. My expertise lies in developing smooth and innovative user experiences through mastery of HTML, CSS, Tailwind Css, Flex Box, Material UI, JavaScript, React.js, Next.js etc. Throughout my career, I have consistently delivered effective solutions leveraging my deep understanding of front-end technologies. I specialize in translating complex design concepts into robust, user-friendly interfaces and developing in dynamic, collaborative environments. Ready to bring your wealth of experience to elevate the front end of your next visionary project.
